INTERVIEW REPORT

Dear Sir:

In a telephone interview on June 28, 2006, Examiner Nguyen promised to withdraw the Office Action dated March 30, 2006, and replace it with another action that considered the main points of arguments in assignee's last response to Office Action and provided written responses to those arguments with respect to any claims still considered unpatentable. The examiner estimated that a response would be mailed within a week or two. The conversation followed a telephone request for that relief in a June 20, 2006, telephone call, in which the undersigned pointed out that the March 30th Office Action did not respond to arguments for claims still rejected. Assignee awaits the Office's new action.

Respectfully submitted,
